FRÜHJAHR'S ATELIER *mit Mary Sharratt*

We are very happy that for our first atelier we have been able to win the US-American and award-winning author MARY SHARRATT.

In an intensive 5-day seminar in a unique setting in Portugal, right on the Atlantic Ocean, Mary Sharratt will share her extensive knowledge with you and initiate you into the art of storytelling. By the end of this practical seminar, you will have completed a full character outline and an outline to your own novel idea.
